A Realm of Ancient Magic

Goldenhand is a realm where magic permeates every aspect of existence. From the murmuring streams that whisper ancient secrets to the towering trees that guard the realm's borders, magic weaves its way into the very fabric of the land. At the heart of this magical tapestry lies the Abhorsen, a necromancer who wields the power to banish the restless dead and maintain the delicate balance between life and death.

The Abhorsen's magic is not without its perils. The Charter, a collection of ancient laws that govern the use of magic, must be strictly adhered to lest chaos and destruction ensue. Breaking the Charter invites the wrath of the Dead, malevolent spirits who seek to wreak havoc upon the living.

Epic Quests and Unforgettable Characters

In the realm of Goldenhand, adventure awaits at every turn. The Old Kingdom series follows the journeys of several unforgettable characters as they embark on perilous quests that test their limits and shape their destinies.

Sabriel, the young Abhorsen-in-training, must confront her destiny and learn to wield the power of the Charter to save her family and the kingdom from the Dead. Lirael, a young woman with a rare gift for seeing the Dead, uncovers a sinister plot that threatens to plunge Goldenhand into darkness. And Clariel, a young girl from a hidden village, discovers a secret that could change the fate of the Old Kingdom forever.

As these characters navigate the treacherous landscapes and unravel the mysteries that lie before them, they encounter a cast of compelling allies and formidable foes.
