Are you preparing for the new US citizenship test? If so, you're in luck! This comprehensive study guide covers all 128 questions that you may be asked on the exam. By studying with us, you can increase your chances of passing the test on your first try.

Who is eligible to take the citizenship test?

To be eligible to take the citizenship test, you must meet the following requirements:

- Be at least 18 years old
- Be a permanent resident of the United States for at least 5 years (or 3 years if you are married to a US citizen)

- Be able to read, write, and speak English
- Have a basic understanding of US history and government
- Be of good moral character

What is the format of the citizenship test?

The citizenship test is divided into two parts:

1. **Civics test:** This test consists of 20 questions about US history and government. You must answer at least 12 questions correctly to pass this part of the test.
2. **English test:** This test consists of 10 questions about your ability to read, write, and speak English. You must answer at least 6 questions correctly to pass this part of the test.

What are the 128 questions on the citizenship test?

The 128 questions on the citizenship test are divided into the following categories:

- **History of the United States:** 20 questions
- **Principles of the United States government:** 20 questions
- **Rights and responsibilities of citizens:** 20 questions
- **Geography of the United States:** 10 questions
- **Symbols of the United States:** 10 questions
- **English language:** 10 questions

How can I study for the citizenship test?

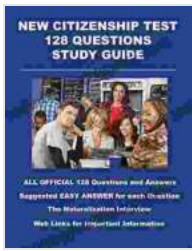

There are many ways to study for the citizenship test. You can study on your own using books, online resources, or DVDs. You can also take a citizenship class at a local community college or adult education center. No matter how you choose to study, be sure to start early and give yourself plenty of time to prepare.

What are some tips for passing the citizenship test?

Here are some tips for passing the citizenship test:

- **Start studying early.** The more time you have to prepare, the better your chances of passing the test.
- **Be thorough in your studies.** Don't just memorize the answers to the questions. Make sure you understand the concepts behind the questions.
- **Take practice tests.** There are many practice tests available online and in libraries. Taking practice tests will help you identify your strengths and weaknesses and focus your studies accordingly.
- **Get a good night's sleep before the test.** You'll be able to think more clearly and perform better on the test if you're well-rested.
- **Arrive at the testing center on time.** You don't want to be rushed or stressed before the test starts.

Passing the citizenship test is an important step on the path to becoming a US citizen. By studying with this comprehensive guide, you can increase your chances of passing the test on your first try. So what are you waiting for? Start studying today!
