**Subject: Formal Complaint Against Tenant**

**Respected Sir/Madam,**

I am writing to lodge a formal complaint against my tenant, [Tenant's Name], who resides at [Tenant's Address]. I am the landlord of the property and have been experiencing a series of issues with the tenant that have left me with no choice but to seek police intervention.

### **Details of the Incident:**

On [Date of Incident], at approximately [Time of Incident], I visited the property to conduct a routine inspection. Upon entering the premises, I discovered that the tenant had caused significant damage to the property, including:

- Broken windows
- Damaged walls
- Holes in the ceiling
- Destroyed appliances

I immediately confronted the tenant about the damage, but they became aggressive and refused to take responsibility for their actions. I have since learned that the tenant has a history of causing damage to rental properties and has been evicted from previous residences for similar behavior.

### **Evidence:**

I have attached photographs and videos as evidence of the damage caused by the tenant. I have also obtained statements from neighbors who witnessed the incident.

### **Request for Action:**

I request that the police investigate this matter and take appropriate action against the tenant. I believe that the tenant's actions constitute criminal damage to property and should be dealt with accordingly. I am also concerned for the safety of my property and the well-being of other tenants in the building.

**Thank you for your attention to this matter.**

**Sincerely,**

**Respected Sir/Madam,**

I am writing to lodge an informal complaint against my tenant, [Tenant's Name], who resides at [Tenant's Address]. I am the landlord of the property and have been experiencing ongoing issues with excessive noise and disturbances caused by the tenant.

Despite repeated requests to keep the noise level down, the tenant has continued to disregard my concerns. The noise has been particularly disruptive during late-night hours, affecting the sleep and well-being of other tenants in the building.

I have tried to resolve the issue directly with the tenant, but they have been uncooperative and have refused to change their behavior. I am concerned

that the situation will escalate if no action is taken.

I request that the police intervene and speak to the tenant about the excessive noise. I believe that a warning or a citation may be necessary to deter the tenant from continuing this behavior.
